WHITEFISH LAKE INSTITUTE ☀

USE OF FUNDS: Funds earned will support "Voices of Our Lake," a coffee table worthy compendium in which individuals define and take ownership of needed behavioral changes to protect our lake. WLI will also fund Watershed Restoration 64, a program to address actionable projects from WLI's Status Report Watershed Restoration Table that improve water quality for the Whitefish Community.

MISSION: Founded in 2005, the Whitefish Lake Institute is committed to science, education, and community stewardship to protect and improve Whitefish Lake and Whitefish area water resources today, while providing a collective vision for tomorrow.
