

Board of Directors

John Collins
Secretary/Treasurer

John Collins was raised in Whitefish and moved back here full-time in 1986. He has maintained a residence on the lake since the early 1980s and has a strong interest in the health of the lake. John is the former president and director of the Flathead Valley Ski Foundation that supports youth skiing.

John earned a BS from The Wharton School of the University of Pennsylvania and an MBA from Temple University in Pennsylvania. In 1987, he founded John B. Collins Associates, Inc, which was later sold to Marsh & McLennan Cos, the parent company of Guy

Carpenter & Co. He retired as vice chairman of Guy Carpenter in December, 2009.

John believes the most important issue facing WLI is how the organization can most effectively work with other entities and the community to preserve and enhance the water quality of Whitefish Lake.
