

Council Preview

Whitefish City Council meets March 6 at 7:10 p.m. at the interim City Hall at 1005 Baker Ave. The following agenda items will be discussed, subject to change:

- During a work session at 5 p.m., Whitefish Legacy Partners will present information on its trail for Haskill Basin and Whitefish Lake Institute will present information on the city's Aquatic Invasive Species program.

- Consideration of rezoning several parcels of property that were

recently annexed into the city.

- Consideration of a petition by nine properties to be added to the Whitefish Fire Service Area.

- Consideration of a contract for the Somers Avenue reconstruction project.

- Consideration of a tentative budget schedule.
