

Lakes conference

Early registration for the inaugural Montana Lakes Conference closes on Jan. 9, 2019.

The conference is set for March 13-15 in Whitefish and is a forum for natural resource professionals to exchange

information, scientific advancements and management strategies that promote clean and healthy lake and reservoir systems. For the complete conference agenda visit www.whitefishlake.org and click on Montana Lakes Conference or contact Lori Curtis at (406) 862-4327 for more information.
