Science Quencher

Whitefish Lake Institute is hosting a virtual Science Quencher event on Friday, Oct. 16 from 5:30-7 p.m. on Zoom. The lightning round talks from four science experts begins at 5:45 p.m. after an introduction. Speakers for the event include, Tanner Kuhl, mechanical engineer for the U.S. Ice Drilling Program;

Erich Peitzsch, physical scientist at the U.S. Geological Survey Northern Rocky Mountain Science Center; Eric Sawtell, Whitefish High School science teacher; Kris Tempel, habitat conservation biologist for Montana, Fish, Wildlife and Parks. Visit www.whitefishlake.org to register for the event and the first 100 people to register will receive a Zoom link.
